Carnival Selection

Selection Policy – Swimming, Cross Country, Athletics

Students must compete at the school carnival in order to allow them to be considered for selection in the school team to compete at the Zone Carnival unless they are:

a) competing at a higher level school, zone or regional competition.
b) suffering injury, illness or misadventure. In this case a doctor’s certificate or relevant documentation must be presented.

In the above cases, a request for consideration in the school team must be presented to the school sportsperson. This request will be considered by a panel consisting of the principal, the sportsperson and any other involved staff. Inclusion in the school team under these circumstances will not be at the expense of individuals who have competed at, and qualified for the school team based on the qualification procedures determined by the Zone PSSA.

Submitting a consideration for inclusion does not guarantee inclusion in the school team.

c) The school will contact the relevant zone convener and discuss exceptional circumstances for school inclusion at the Zone Carnival.
d) School convener and zone convener will make the final decision on any inclusion in the school team for Zone Carnivals.

This policy was developed by staff representatives, the PSSA coordinator, Sandra Nakkan, deputy principals, Robyn Beck and Michelle Michael and the principal Margaret Turner in Term 4 2011.
